The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Education and Training for Employability and Land Employability projects”, and intends to apply part of the proceeds toward payments under the contract for the “Acquisition, Delivery, Installation and Start-up of the technical teaching equipment for vocational training institutes benefiting from the Charaka Fund financial support for the Traditional Arts Institute – IAT Meknes (CFP 03), in 3 Lots:

D.8.1: Portable electrical furniture and common hardware

D.8.2: Supply and equipment of torches

D.8.4: Refractory ramp burners and controls

MCC's funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Suppliers by the US Treasury. MCA-Morocco now invites bids from eligible bidders for the acquisition of technical-educational equipment.

Bidding will be conducted through the Shopping procedures as specified in the MCC Program Procurement Guidelines (PPG) and is open to all eligible bidders as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible bidders upon the submission of a written application at the following address: [procurement@mcamorocco.ma](mailto:procurement@mcamorocco.ma)

Bids must be submitted electronically no later than **14 April 2022 at 11 p.m** (Rabat time) using the following link:
