So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Suppliers by the US Treasury.

MCA-Morocco now invites bids from eligible bidders for the acquisition of technical and educational equipment.

Bidding will be conducted through the Shopping procedures as specified in the MCC Program Procurement Guidelines (PPG) and is open to all eligible bidders as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible bidders upon the submission of a written application at the following address: procurement@mcamorocco.ma
