The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Education and Training for Employability and Land Productivity Projects” and intends to apply part of the proceeds toward payments under the contract for the **Selection of panelists for EW-39 (acquisition of technical and educational equipment for projects selected for financing the Charaka Fund).**

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Consultants by the US Treasury. MCA-Morocco now invites proposals from eligible consultants to provide the technical assistance mentioned above.

Bidding will be conducted through the Individual Consultants selection (ICS) procedures as specified in the MCC Program Procurement Guidelines (PPG) and is open to all eligible consultants as defined in the PPG.

A complete set of bidding documents are available on the MCA-Morocco website: <https://www.mcamorocco.ma/fr/appels-d-offres> or may be obtained by interested eligible consultants upon the submission of a written application at the following address: [procurement@mcamorocco.ma](mailto:procurement@mcamorocco.ma).

Please note that all other documents related to this procurement are in French.
