The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Education and Training for Employability” and “Land Productivity” Projects, and intends to apply part of the proceeds toward payments under the contract for the **Selection of a consulting firm to carry out a service relating to a training program and an information and awareness campaign on the new legal framework for the lands of ethnic collectivities.**

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Consultants by the US Treasury.

MCA-Morocco now invites proposals from eligible consultants **to carry out a service relating to a training program and an information and awareness campaign on the new legal framework for the lands of ethnic collectivities.**

The MCA-Morocco will award a contract, of a duration of 13 months without exceeding the Compact End Date of June 30, 2022.

Bidding will be conducted through the Quality and Cost Based Selection (QCBS) procedures as specified in the MCC Program Procurement Guidelines (PPG), and is open to all eligible consultants as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible consultants upon the submission of a written application at the following address: procurement@mcamorocco.ma.
