The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Education and Training for Employability and Land Productivity Projects” and intends to apply part of the proceeds toward payments under the contract for the **Selection of an individual consultant in charge of technical assistance to the Gender and Social Inclusion Department (DGIS) and the Land Governance Department (DGF) for the monitoring of the integration of gender and social inclusion within the framework of the “Land Governance” Activity.**

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Consultants by the US Treasury. MCA-Morocco now invites proposals from eligible consultants to provide the technical assistance mentioned above.

Bidding will be conducted through the Individual Consultants selection (ICS) procedures as specified in the MCC Program Procurement Guidelines (PPG) and is open to all eligible consultants as defined in the PPG.
