The Millennium Challenge Account-Morocco has received financing from the Millennium Challenge Corporation toward the cost of the “Land Productivity” and intends to apply part of the proceeds toward payments under the contract for the “Equipment of regional and local institutions involved in the operation of collective land melkization located in whole or in part in the irrigation perimeters of Gharb and Haouz”.

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding.
