

MCA-Morocco Agency Notice of Closure of Morocco's Compact II

The Kingdom of Morocco, acting through its government (the "Government") and the United States of America, acting through Millennium Challenge Corporation ("MCC"), have entered into a Millennium Challenge Compact program (the "Compact II") to enhance the quality of human capital and improve land productivity in Morocco, in the amount of US\$ 460,500,000 ("MCC Funding") to which is added a contribution from the Moroccan Government of a value equivalent to at least 15% of the American contribution.

The Compact signed on November 30th, 2015 for five years and nine months came effective on June 30th, 2017, and will come to an end on March 31st, 2023. There will be no extension possible of the funding by MCC due to the regulations that govern the MCC. No activities that will take place after the Compact End Date will be funded by MCC, with the exception of a few activities exclusively related to the closure of the Compact which will last until July 29th, 2023.
